

## MEMORANDUM

**To:** ETFO Thames Valley Teacher Local Members  
**From:** Craig Smith, President  
**Date:** September 26, 2017  
**Re:** **Extreme Heat**

---

In response to the extreme heat and humidity facing many schools/work sites and as a follow up to ETFO Provincial's recent press release, an easy method for Members to contact their MPP on this issue has been put together.

A template letter can be found here: <http://www.buildingbetterschools.ca/heat>

If you have one minute you can enter your e-mail address and postal code to find your MPP and send the message. If you have a few more minutes you are encouraged to edit the letter and include a personal note about conditions in your local school or work site.

**ETFO strongly encourages the Wynne Liberal government to establish a regulatory framework for the education sector to address extreme heat situations in all schools and work sites.**

For more information please contact the ETFO Thames Valley Teacher Local office at 519-474-3150.
