

MEET MARIT!

Are you tired of all the anger, division, and childishness in politics?

You're not alone; so are we.

If you find yourself asking the question, 'Can we fix our problems and work together once again?' The answer is YES!

But we have to be clear: your frustrations with the status quo are completely justified. We have been completely let down by governments that make false promises and completely refuse to solve perennial problems. We need bold solutions that will not only give hope, but inspire, and make a real difference.

**The fundamentals of a free, democratic, and thriving society are:
Public Healthcare,
Public Education, and
Affordable & Accessible Housing.**

These made Ontario strong and we can get there again!

Join us on October 26th to hear from Ontario NDP Leader Marit Stiles and your MPP Terence Kernaghan with a panel of experts about their positive vision for the things that matter most: home, health, and education. We have a bold plan for change, unity, and how we can repair what's been broken in Ontario. Kids deserve to have opportunities like we had, and all of us should be able to live with dignity, respect, and peace of mind.

WHEN: Saturday, October 26th, 10:30 a.m. -1:00 p.m.

WHERE: 280 St. James Street, [St. John the Evangelist Anglican Church Hall](#) (entrance off Wellington St.)
