Sent to Local Presidents November 18, 2024 on behalf of Sabrina Sawyer, Deputy General Secretary, ETFO Provincial:

## **Make the Season Kind – CBC School Challenge**

As part of CBC's annual campaign Make the Season Kind, Daily Bread Food Bank, Feed Ontario, and food banks across the province have partnered with the Elementary Teachers' Federation of Ontario to launch the CBC School Challenge. This new partnership, provides a new and practical opportunity for members and students to address the growing issues of poverty and food insecurity around our province.

This engaging challenge will not only spark meaningful conversations about social justice, poverty, and food access, but will also empower students to think critically and creatively about real-world issues. Not only will students gain valuable knowledge, but classes will also have a chance to earn recognition for their hard work with three outstanding submissions selected per division. Please share with your membership and encourage them to sign up [here](#).
