

TELUS PureFibre Internet

TELUS PureFibre Internet - Canada's #1 Internet Technology

**Ditch the Cable,
Upgrade to 100%
PureFibre**

Experience lightning-fast internet and connect seamlessly:

- **Unlimited Data:** Stream and browse without any data limits.
- **100% Fibre Connection:** Directly to your home for uninterrupted performance, even at peak times
- **Symmetrical Speeds:** Equal upload and download speeds, ideal for gaming, streaming, and video calls.

Switching Made Easy

- **Simple Setup:** No downtime or hassle, backed by a 30-day guarantee
- **Consistent Speeds:** Unlike cable, PureFibre gives you a dedicated connection, meaning no shared bandwidth with neighbours

**Get TELUS PureFibre East
1.5 Gig for only \$79/month**

Plus, get a one time \$200 bill credit applied to your monthly invoice upon set up
