**Regarding:** Federation Annual Meeting Proposed Resolutions – Notice of Motions

---

**The following Federation Annual Meeting Proposed Resolutions – Notice of Motions will be presented at the General Meeting on Thursday, February 13, 2025.**

---

**Notice of Motion A – *Jordan Smith / Jamie Lyn McElrea***

That Payment of Expenses, 3.0, Travel, 3.6 be amended to read:

The reimbursement rate for travel costs shall be set on the start of the fiscal year to reflect and match the rate set out by the Canada Revenue Agency at the beginning of each calendar year.

**Rationale:**

The CRA adjusts the mileage each year to reflect cost of living changes that occur each year and a reasonable per kilometer rate. This information is released for the start of every calendar year and is on the CRA website. OSSTF already has adopted this model, removing the need to have motions brought to reflect changes in gas, insurance and vehicle upkeep.
