If Bringing your Own Device Enter the IMEI of the Device Here: _____

Rate Plan and Hardware Financing Information

Rate Plan Information

- The Rate Plans include Unlimited Data. Once you reach the Data included within the month the speed will automatically reduce to 512kbs. If you use your device as a personal hotspot it will stop working once the speed is reduced to 512kbs.
- Canada Wide only rate plans include the USA and International Easy Roam feature which allows subscribers to use their phone in the USA for a flat rate of \$16 per day or internationally for \$18 per day. The maximum monthly charge for USA usage is \$240 and \$300 for International usage.
- Canada and USA Plans Include Roaming when traveling to the USA. This includes Voice Minutes, Data and Messaging.

Hardware Financing Information (examples below may not be accurate hardware pricing)

- Hardware is not included with the plan. The hardware price is amortized over 24 months at 0% interest and added to TELUS invoice. For Example, if you went with the \$55 Plan and the iPhone 15 64GB, \$15 would be added to the TELUS Monthly invoice for 24 months. After 24 months the hardware is paid off and the monthly cost would only be the \$55 rate plan charge. There are options to pay for the entire hardware upfront or partially upfront if you do not want to take advantage of the 24 month 0% financing option or if you want to have a lower hardware repayment monthly charge. You can also opt in to the Bring It Back Program which reduces the monthly hardware repayment by up to \$40 per month however you are agreeing to bring the device back after 24 months. If you do not bring the device back after 24 months the discount you received at the original point of purchase will be charged to your TELUS account. The rate of the Bring It Back program vary depending on the device model.
- The Bring it Back Program is similar to a car lease where you get a discount on the monthly cost of the hardware but agree to Bring the Phone Back after 24 Months. You can choose not to bring it back but there will be a buy out at the end of the 24 months applied to your TELUS invoice automatically.
- Provincial Sales Tax. (13% hst) is charged at the point of sale and not charged on the TELUS monthly invoice. For example, if you select the iPhone SE 64GB the taxable amount of the hardware is \$240. Provincial Sales tax is charged at time of purchase which is \$31.20. This is charged at the time of purchase to comply with Canadian Tax laws. There is no Tax applied to the TELUS Monthly invoice for the Hardware repayment. For example, if you selected the \$56 Plan and the iPhone SE 64GB with the 0% Financing the TELUS Monthly Price would be \$60 plus 13% Sales tax equals \$67.80 plus \$10 for the hardware repayment for a total of \$77.80 for 24 months.

Subject to change without notice

Your Next Steps And Frequently Asked Questions

So What's Next?

1. Once you have submitted your order, you will receive an email from TELUS. Click on the "Get My Offer" button in the email. Then check the box to verify your email. Once done you have finished this step. No need to submit the order online. If you are not using a work email address for submission, you will be required to upload a proof of employment via your personal email. These include a Badge ID, Warrant Card, Current Payout, or Current Letter of Employment from HR.
2. 24-48 hours later you will receive an agreement from Sky Wireless staff to sign off on. This will need to be signed and sent back via email or fax. Our Fax Number is 647-498-1046
3. If your device selection requires payment, a Sky Wireless representative will contact you for credit card details; e-Transfer is also an option, however we cannot accept Debit Visa/Debit MasterCard.
4. Once your service agreement is signed, your device will be shipped to the address of your choice as indicated on the order form within 24 hrs.
5. Your device will come with a sticker with activation instructions located on the box. Follow these to complete the process.

Frequently Asked Questions:

- Is the Data Shared?
 - Yes. If you multiple lines on the same account the data will be combined. For example, if you have 2 Subscribers on the \$60 20GB Data Plan both lines would share 40GB of data. Once the 40GB of data is exceeded the speed will be reduced to 512kbps. There is no Data Overage Charges. The Data is Unlimited.
- Can I keep my number?
 - Yes you can keep your current TELUS phone number on renewal or bring a number from another carrier if you are new to TELUS. If you are porting from another provider, we must have the account number to submit the transfer.
- How do I transfer my number to TELUS from my old provider?
 - Your device will come with a sticker on the box indicating the final process to complete the transfer. It is similar to activating a credit card at home and takes only 30 seconds.
- Do I have to call my other carrier to cancel?
 - No. Once you finish the transfer process your other service provider will automatically cancel.
- Can I have a second corporate account?
 - No. Each employee is eligible for one Corporate Account and you may have up to 10 activate lines per account.
- Why do I need to input my Drivers Licence or SIN?
 - One or the other is required by TELUS to complete a credit check along with your Date of Birth.
- Why do you need my Personal Email address?
 - This is the email address that will be registered with TELUS for your My TELUS registration. TELUS no longer offers paper billing (except in special circumstances). You can access all of your account info, usage and bills through the App or Site.

Your Next Steps And Frequently Asked Questions Continued

- What if I am with TELUS on a consumer plan currently, or under someone else's plan?
 - TELUS charges a one time \$50 fee for transferring to a corporate account. This is called a Migration. This process can take up to 24 hours. If your account is in someone else's name a \$35 transfer of ownership will apply.
- What if I have billing questions?
 - Billing questions and concerns can be easily resolved with TELUS Client Care directly by calling 611 from your mobile or 1-866-558-2273.
- Does my phone come with any warranty?
 - Your handset comes with a 1 year manufacturers warranty. This does not include any liquid or physical damage which voids this warranty. You can reach out to the manufacturer directly or contact us for warranty inquiries. Repairs can be arranged for most devices through your local Telus store.
- How can I find out if I'm eligible to upgrade my device?
 - You can see your device balance as well as your plan information through the My TELUS app, Online account or on your Telus bills or by calling customer service by dialing 611
- What if I don't like my new device?
 - You have 15 days from your activation or renewal date to return or exchange your device.
- Can I use my device as a mobile hotspot?
 - Yes you can use your device to create a mobile hotspot and allow others to connect.
- What happens after my 2 years is complete.
 - Your device will be paid for and your amortization of the device will drop off, reducing your cost to the rate plan only.
- Can I transfer my existing plan to the new Unlimited Plan?
 - Yes, but you would be required to payback your existing device balance in order to do so if on contract.
- Am I required to pay taxes on the new device?
 - Yes, you are charged 13% HST upfront for the new device.
- Buying ADT?
 - Proof of eligible employment required for all Exclusive Partner Program ("EPP") offers. EPP members get a 2-months of services for \$0. Offer only available to current TELUS Mobility customers who do not have an existing ADT by TELUS Security Agreement with more than 6 months remaining. Customer must agree to a new 3 year service agreement.
 - Equipment is ADT-owned. Equipment must be returned in good condition upon cancellation of service, otherwise the replacement cost will be charged to the account. Includes Quality Service Plan (QSP). QSP is ADT's Extended Limited Warranty. Limit 1 offer per new ADT customer contract and cannot be combined with other offers or discounts.
 - Cancellation fees apply for early termination of the service agreement.
 - Offer applies to all ADT by TELUS packages and requires a 36-month monitoring contract. Prices exclude taxes. Equipment may vary in appearance.
