

To: ETFO Thames Valley Teacher Local Members
From: Craig Smith, President, ETFO Thames Valley Teacher Local (ETFO TVTL)
Date: June 17, 2024
Regarding: **Heat Stress Plans**

Environment Canada has issued an extreme heat warning, for most of southwest Ontario, in response to a prolonged heat event, which began today. Dangerously hot and humid conditions are expected through most of the week.

Accompanying this Communiqué are links to two (2) documents from the Ontario Health Clinics for Ontario Workers (OHCOW). Embedded in these documents are QR codes that will provide more detailed information regarding heat stress and heat stress plans.

For more information regarding this **Communiqué** please contact the Local office by email at etfotvtl@etfothamesvalley.com or by phone at 519-474-3150.
