Regarding: ETFO's ICT Learning Institute Dec. 5, 2020

Dear Presidents,

Below you will find information about this year's Information Communication Technology Learning Institute that takes place on **December 5, 2020**. The conference flyer is available now at <https://www.etfo.ca/cal/ICT.pdf>. Please feel free to add the flyer to your local website and share the information below with your members.

*ETFO's ICT Learning Institute: **Technology Tools for Learning** will take place virtually on Saturday, December 5, 2020.* The target audience is members interested in learning about new technology and online resources to enhance student learning. The conference will start with a keynote speaker who will share practical applications and resources to support the integration of coding into your teaching practice. Participants will then attend two workshops to explore ways to deepen their understanding of specific technologies and how to use them as learning tools in the classroom. This institute will be an exciting learning opportunity open to all ETFO members. Participation is limited and participants will be selected by a random draw as outlined in the flyer.

Registration at events.etfo.org is now open. Registration closes on November 6, 2020 at 5:00 p.m.

For additional information about the event please contact **Julie Millan** jmillan@etfo.org.

Regards,
Bobbi Taillefer
