## Workshops

Participants will attend workshops examining various aspects of social justice frameworks, how male privilege can be best leveraged through actions, and ways in which structural oppression affects themselves, students, and their colleagues.

Participant selection is based on the following criteria:

- Completion of registration in Events Management System (EMS) and commitment to attend the entire program
- Members from designated groups and all members who identify as men
- Geographic representation from across the province
- Priority will be given to first-time applicants to an ETFO conference for men educators

There is a \$50 registration fee. All registrants will be informed by email after February 5, 2024, regarding their acceptance status.

Expenses will be paid as per ETFO provincial guidelines.
